Date: 6th/October/2025

To,
The Director,
Birla Institute of Technology Mesra, Patna Campus, Patna,800014

Subject: Request for rescheduling of the Robotics Workshop from 11th September to 8th October

Respected Sir,

We, the Ignite Club of BIT Mesra (Patna Campus), are writing to inform you that our Robotics Workshop, initially scheduled on 11th September, could not be conducted due to clashes between college and club events. We now plan to reschedule the workshop on 8th October in the Conference Hall.

For the smooth conduct of the workshop, we request the following arrangements to be made:

- Power Supply for the equipment
- LAN connection/Wifi access for internet access
- Projector for displaying presentations
- Space near college back gate for the placing the humanoid robot for showcasing to the students before the event and along with that one table and a few chairs for the staff.

The workshop aims to:

- Provide students with exposure to robotics, sensors, and automation.
- Build foundational technical skills and hardware.
- Foster a culture of teamwork, problem-solving, and innovation.
- Encourage active involvement in technical clubs and competitions.

Kindly grant permission to organise the workshop on the new date (8th October) and provide the necessary facilities.

We therefore request your kind consideration and approval.

Thanking you,

Priyanshu Shankar

Priyanshu Shankar
President, Ignite Club
BIT Mesra, Patna Campus
